In this pamphlet we have included passages of Scripture that cover the following topics: God, Scripture, Creation, Sin and Judgment, Salvation through Christ, Sanctification and the Christian Life, the Church and Her Mission, and Future Hope. We hope that this structure will assist in memorizing passages that cover the whole counsel of God (Acts 20:27). We have included two scripture memory passages each week. Feel free to memorize only one passage a week, and by the end of the year you will have memorized 52 passages. Or, feel free to memorize both passages each week, in which case you will have memorized 104 passages by the end of the year. And if you'd like to pursue a combination of both approaches, please feel free to do that too. If you get behind, just pick up on the current week to avoid getting bogged down. Whatever you decide, we trust that Scripture memory will prove to be a fruitful endeavor in your walk with Jesus.

Memorizing Scripture is one of the best ways to store up the Word of the Lord in our hearts (Ps. 119:11). Through Scripture memory the Word becomes more fluent and easier to recall in times when we need to remember truth and declare that truth to others (cf. 1 Pet. 3:15). Therefore, we encourage you to begin making scripture memory an important part of your spiritual disciplines.
